2.25 Diameter Instrument Stand | D-254

Our Model D-254 Instrument Stand is easy to use with the D-660 or any other instrument with a 2.25" diameter barrel. The three adjustable feet enables you to change your line of sight and make elevation adjustments.

- **Designed for all standard 2.249 inch diameter barrel instruments**
- **Three fine thread adjustment screws set in pads for leveling and elevation adjustments**
- **Built in bubble level**
- **Barrel clamp for rotating instruments 90°**
- **Two spring loaded screws for locking instruments**
